Quality Innovative Constructions

Hinged Door Range

Our **hinged glass doors** will create a modern yet timeless entryway for your home. With single and double door configurations available, they have the versatility necessary to suit your chosen context.

Essential Hinged Doors

A traditional door style with a modern finish, our '**Essential**' hinged glass doors are a homeowner favourite. They suit a variety of contexts and spaces. Install them as a standalone feature, or combine them with other Bradnam's windows for a stylish, light-maximising design.

Signature Hinged Doors

If you want a fresh, contemporary take on a classic door, Bradnam's '**Signature**' hinged glass doors are exactly what you're looking for. With a variety of design options, our hinged glass doors will suit almost any space in your home. Add to that our superior locks and optional security and screen options, and it's clear you'd be crazy not to consider this attractive door option for your home.

Commercial Hinged Doors

With superior strength, hardware and security, Bradnam's **Commercial** hinged glass doors create a stylish entryway statement for any business or designer home. Featuring a strong 50 mm sash, stainless steel fastenings and heavy-duty deadlocks, they're an incredibly practical choice of door. And with their stylish design and range of architectural hardware options, our commercial hinged doors are an aesthetic choice as well.

- Enhanced UV protection
- Minimise noise outside
- Save on energy bills
- Added security

Performance comes from **more than just glass**

Superior frame assembly

High performance seals

Essential . Signature . Commercial

As the market leader in Australia for aluminium and glass building products, Bradnam's have developed its range of **Smart Solutions** to meet all high performance requirements.

+ Premium Smart Solution

Double Glazed

Year-round Comfort

- Acts as extra insulation by limiting the flow of hot or cold air in and out of your home
- Helps maintain comfortable temperatures inside across all seasons

Energy Reduction

- Reduce reliance on air conditioning and heaters – lowering electricity bills
- Consume less energy for a smaller carbon footprint

Noise Reduction

- Minimise outside noise – creating a quiet haven inside your home

Safety

- Extra strong resistance to unwanted attacks by intruders

Climate Control Solutions

Solar Comfort™

Year-round Comfort

- Designed to reflect heat away in summer and keep heat inside during winter
- Enjoy the ideal temperature in your home all year round – cooler in summer, warmer in winter

Energy Reduction

- Keep power bills down by reducing the need for additional heating and cooling
- Help save the environment by consuming less energy

Solar Block™

Cooler in Summer

- Minimise the flow of heat into your home – enjoy summer without feeling the heat
- Acts like a pair of sunglasses for your home, reducing glare by up to 78%

Energy Reduction

- Save on electricity bills by reducing the need for air conditioners
- Minimise your carbon footprint by consuming less energy

Specialty Solutions

Safety

Safety

- Effective, affordable barrier against forced entry
- Enjoy peace of mind knowing that your home has extra protection

Sound Smart™

Noise Reduction

- Reduce unwanted external noise – nearby traffic or noisy neighbours,

FlameShield™

Superior Bushfire Protection

- Meets Australian Standard AS3959:2009, which is aimed to reduce the risk of loss of life and property in bushfire prone areas
