

BRADNAM'S

SLIDING WINDOWS

Elegantly simple, classic design

Sliding Window Range

Are you looking for the ideal windows for your home? Our **sliding window** range is a contemporary take on a traditional favourite. Designed to meet all the requirements of the modern home, including security, strength, reliability and expansive views.

Essential Sliding Windows

If you want maximised views and a sensible but aesthetic take on a popular window design, you'll love our 'Essential' sliding windows. Secure, easy-to-operate and easy on the eyes, Essential sliding windows may be our standard sliding window product, but they're still packed full of features and benefits that are anything but standard.

Signature Sliding Windows

Smooth-gliding, easy-cleaning and secure, our 'Signature' sliding windows are stylish and contemporary. They're safe and practical with mortice locks and vent-locking for secure ventilation. Available in large-size options, they can be installed in various spaces and configurations, making them an ideal window for any home.

Performance Parameters

| | Essential | Signature |
|---|------------|--------------|
| Frame size | 52mm | 67mm / 100mm |

Smart Solutions

High Performance Windows and Doors

Essential . Signature

Building in today's environment requires you to satisfy energy efficiency, acoustics, security and bushfire requirements. Bradnam's **Smart Solutions** range is designed to augment all Essential and Signature products to satisfy these needs.

Some of the possible benefits

- Cooler in Summer
- Warmer in Winter
- Enhanced UV protection
- Reduce outside noise
- Save on energy bills
- Added security

Performance comes from **more** than just glass

As the market leader in Australia for aluminium and glass building products, Bradham's have developed its range of **Smart Solutions** to meet all high performance requirements.

+ Premium Smart Solution

Double Glazed*

Year-round Comfort

- Acts as extra insulation by limiting the flow of hot or cold air in and out of your home
- Helps maintain comfortable temperatures inside across all seasons

Energy Reduction

- Reduce reliance on air conditioning and heaters – lowering electricity bills
- Consume less energy for a smaller carbon footprint

Noise Reduction

- Minimise outside noise – creating a quiet haven inside your home

Safety

- Extra strong resistance to unwanted attacks by intruders

* Not available in Essential

Climate Control Solutions
